IF YOU GET IT OF

FERGUSON & CRAIG

IT'S ALL RIGHT

Under no circumstances will this store offer a second grade article in order to make a larger profit. You are aware that that kind of business doesn't pay and we are as well aware of it as you.

We want every one to feel at liberty in this store; "If we have what you desire we want you to be the buyer." It's a great satisfaction to buy what you want, but it is a sore trial to be sold something you do not care for.

This store is distinctly a store for Buyers, and the youth will get the same values as the adult and all who buy their JEWELRY of
